MCDONALDS BALLARAT FNL 2023 COFFEE VENDOR INFORMATION AND APPLICATION

The McDonalds Ballarat FNL invites applications from suitable vendors for the supply of “coffee” at finals conducted this year.

There are three finals series comprising a total of 21 separate events to be catered and provides a fantastic opportunity for suitable vendors to participate in the supply of catering to crowds and participants.

Please read the details contained in this document and indicate your desired event. Where there is more than the number of vendors requesting the same event, discussions will be held with those vendors.

The Ballarat FNL wishes to provide opportunities to as many vendors as possible who have been hit through these recent times with a downturn in events and income due to restrictions.
